Dear Parents,

Our Spring Fair is fast approaching – Saturday 31st October. If you would like to secure a Car Boot Spot on this day, please complete the attached form and return it by Thursday, 15th October. The number of Car Boot sites is limited so it is vital that a form is returned promptly. Each site will cost $50 and all money you raise on the day will be your profit.

We are looking forward to a wonderful day but we require community participation – the more sites that are filled, the more likely it is that people will be drawn to the Fair.

As the day draws closer, we will issue more notes about the different ways in which you can be involved.
