Dear Parents,

Our Easter Hat Parade and Easter Raffle will be taking place on Friday, 11th April (last day of term). Another note will be issued closer to the day with specific details about the parade, scheduled to take place in the middle session of the day. In the meantime, preparations for the Easter Raffle are about to commence. For those new to the school, the P&C runs an Easter Raffle. This raffle is made possible through the donation of Easter Eggs by our school community. We ask parents to donate Easter Eggs (and baskets if you have any) and these are made up into Easter Baskets of varying sizes. In previous years we have had over twenty Easter Baskets to raffle off.

We would like to collect the Easter Egg donations next Wednesday, 2nd April. We would ask every family to donate an Easter egg or Easter eggs towards this raffle in order to make it a huge success.

The P&C will also require helpers to make up the baskets. If you are able to donate time to this, please complete the following note and return it to school. At this point, we are hoping to set Friday morning, 4th April, aside as the day on which the baskets are made up. If you provide contact numbers, the P&C executive will be able to liaise with you if the date needs to be changed.

Wednesday, 2nd April  -  Children to donate Easter Eggs
Friday, 4th April     -  Making Easter Baskets
Friday, 11th April   -  Easter Raffle and Easter Parade

We thank you in anticipation of your support and your donations

P&C Executive
