Dear Parents/Caregivers,

It is that time of year when schools must start submitting their anticipated enrolments for 2016. If you have a child due to commence school in 2016, or know someone who does, would you please advise the office as soon as possible.

If your child turns 5 before the 31st of July, 2016, he/she is eligible to enrol in Kindergarten 2016.

If you know of any family transferring to our school (several homes have been sold and bought in the Kearns area), please let us know.

Once we are able to establish our projected enrolments, we can then look at requests for out-of-area enrolment. Your assistance is greatly appreciated.

Ms Phillips will be planning the transition program for 2016, so it is important that she is able to contact all families that will have a student enrolling in 2016.

Ms. M McLeod
Principal
