Dear Parents,

Is your child considering a leadership position in 2016?

- Captain
- Vice-Captain
- House Captain

If this is the case, the following information is important. A school leader must model the school’s core values/expectations listed in the side bar. They must demonstrate these values/expectations in such a manner that they are role models to their peers and younger students. Leaders should be exemplary in their behaviour and attitude to school and their learning.

Students considering these positions should:

- wear their school uniform with pride
- have a good attendance record
- support and assist their peers and younger students
- take responsibility for their own behaviour
- demonstrate leadership potential
- show initiative when something needs to be done
- understand that being a leader comes with a range of responsibilities
- make sensible decisions in all situations

At this stage, nominations will be sought in Week 5 and speeches will be held in Week 7. Elections will be held in the latter part of the term.

M. McLeod - Principal
