Dear Parents/Caregivers,

Kearns P.S will be proudly supporting Party for a Cure: Pink Ribbon Day 2014!.

The National Breast Cancer council raises funds to support cancer research:

### Why we are Partying for a Cure:

- One in eight women will be diagnosed with breast cancer in their lifetime
- This year 15,270 women will be diagnosed with breast cancer in Australia
- When NBCF was founded in 1994, 30% of women diagnosed with breast cancer passed away and in less than 20 years this figured has halved but there is still much work to be done. *

This year we will be holding a wear pink for a day in the efforts of reaching a target goal of $300.

**When:** Friday the 17th October, 2014  
**Cost:** A Gold Coin Donation

We will also be selling cup-cakes on the day.

Donations to this valuable cause can also be made at
