21st October 2015

Dear Parents,

As part of our Spring Fair, we will be holding a White Elephant stall – always popular at fairs and fetes. It is also a great way to dispose of items in good condition that you no longer want around your home.

If you don’t have enough items for a car boot sale, maybe this is a perfect opportunity – you can help yourself out by freeing up space at home and, at the same time, actively supporting your P&C.

So what sort of items can you donate?

Any pre-loved item that might appeal to someone else. As you would appreciate, we can’t take items that are damaged or dangerous.

White Elephant items might include pre-loved:

- Children’s books
- Toys
- Household items (no electrical items please)
- Unwanted gifts

If you are able to assist us by donating any of these items, your support will be most welcome. Donations can be made up until Wednesday, 28th October.

Many thanks for your support.

The Spring Fair Committee
