Dear Parents

On Friday 21st August (Week 6) we will be holding a Snail Trail to raise funds for the Year 6 farewell.

Each class will be building a snail trail of small coins (no old 1 or 2 cent coins or foreign coins please) to make the longest trail.

There will be one winning class from K-2 and one from Years 3-6. To make sure it’s fair, the winning classes will be determined based on the longest trail per person in the class. This will make sure that the smallest classes are not disadvantaged.

The two winning classes will have an ice cream party to celebrate. Please start collecting your coins now!

Year 6 and Mrs Rutten thank you.
