Dear Parents/Guardian,

The Cross Country Carnival was scheduled to take place tomorrow. Given the current rain, we made a decision to postpone it. This information was placed on the school website. Since then, we have re-checked the weather forecasts and, given that the rain will return next week and the Zone Carnival is next Friday, we have decided to continue with original plans and hold the carnival tomorrow. If it rains, obviously we will postpone it.

Given recent weather conditions, it is advisable to ‘warn’ parents that the students may get a bit muddy. Spare shoes and socks (in your child’s bag) may be advisable.

In past years we have run an Infants Cross Country Carnival at the same time. We will not do that this year because the grounds are not safe enough for our younger students (in terms of how muddy the grounds may get should almost 200 students run around the course). We appreciate your understanding in this matter. The only students who will run will be:

- Years 3-6
- Yr 2 students who turn 8 this year.

To ensure that our day runs smoothly, it would be great to have as many parent helpers as possible. If you are able to assist on the day, as a parent helper, it would be most appreciated. Please let Mrs Matthews know.

We will be changing the time of the carnival from 9.20 to 11.20 (just after recess). The extra two hours may allow the ground to dry out some more.
